DESCRIPTION: Three Metro officers are on routine paid administrative leave following the deadly shooting Saturday at the Costco store in Summerlin. The suspect has been identified as Erik Scott. Metro says the man was in the store and started destroying things. Employees noticed he had a gun so they evacuated the store and called the police. Metro says the man tried to slip out with customers but police were able to spot him. That's when police say the man reached for his gun. Three officers opened fire, a semi-automatic handgun was found in the man and many of the news outlets here in town are running a picture of him taken from his Facebook page. Because Metro won't confirm anything for NEWS 3, we're using an abundance of caution on this case.
